2. Concurrence was reached by all participants at the above meeting on 26 February 1953 to delete from the proposed T/O two positions: [REDACTED] and the Deputy for Economic Intelligence Coordination. These positions are to be included as Intelligence Officers within a Planning Staff to act as a staff arm of the Chief of the Techniques and Methods Division, and removed from the direct chain of command between the Branch Chiefs and the Division Chief. There will be no formal designation of a Deputy Chief except on an assignment basis as is deemed essential by the Chief, Techniques and Methods Division.
